

## **PROVIDER BULLETIN**

**TOPIC: Clarification/update to August 2005 PROVIDER BULLETIN**

---

**Published by Wyoming Workers' Safety & Compensation Medical Case Management Unit  
December 2005**

---

**The purpose of this Provider Bulletin is to clarify a section in the August 2005 PROVIDER BULLETIN.**

**In the August 2005 PROVIDER BULLETIN, there was a section titled:**

**Which treatments and services require preauthorization?**

**The clarification:**

**This is a list of treatment and services the Provider CAN call into the Preauthorization nurse to request a review, approval and authorization number. This process allows for guarantee of payment to the Provider.**

**If the Provider chooses to proceed with any treatment or service post July 1, 2005, a retrospective review as per Wyoming Statute 27-14-401 (b) will apply.**

**We apologize for the confusion.**
