**PROVIDER BULLETIN**

**TOPIC: Lyrica**

---

Published by Wyoming Workers' Compensation Medical Case Management Unit

---

Based on review of the current literature, Lyrica will be authorized for 60 days by the Division if the medical documentation demonstrates that claimant has trialed Gabapentin and failed. If there is no documented improvement then this will be denied. A literature search from 2011 to current was conducted, resulting in new studies showing the efficacy of Lyrica on radicular pain.
