WYOMING DIVISION OF VOCATIONAL REHABILITATION
SIGN LANGUAGE INTERPRETERS LIST
(last updated October 16, 2019)

This list was developed by the Wyoming Division of Vocational Rehabilitation (DVR). This document is subject to review and revision. The names on this list reflect individuals who have completed and returned the Contract Interpreter Pay Rate Formula along with the necessary documentation supporting his/her credentials and are eligible for contract through DVR. These individuals have been awarded ratings in accordance with the Wyoming Sign Language Proficiency Scale. These ratings refer to the interpreter's ability to use American Sign Language. This scale was jointly developed by DVR and WYRID (Wyoming Registry of Interpreters for the Deaf). The descriptions of each level may be used as guidelines for determining the selection of an appropriately qualified interpreter.

Questions regarding this list may be directed to:

Interpreters are listed in descending order according to the total of points on their Contract Interpreter Pay Rate Formula. The specialized setting skills on this list are self-reported by the interpreter and have not been verified. Each interpreter has consented to the release of their published information.

NOTE: Only those interpreters possessing current Registry of Interpreters for the Deaf (RID) national certification should perform court and legal interpreting.

LEVEL 4 Interpreter (70+ points): Is able to use all aspects of signing fluently and accurately on all levels pertinent to a variety of topics, including social, work, current events, religious, medical, and legal needs. Comprehension (sign reception) is excellent and the interpreter can respond appropriately, even in unfamiliar situations. Has sign fluency on all levels that is acceptable by skilled native signers, including a breadth of vocabulary, idioms, grammar, colloquialisms, accent/production, and cultural references. A Level 4 interpreter is able to tailor language to the audience.

LEVEL 3 Interpreters (50-69 points): Exhibits some Level 4 skills and cultural knowledge in ways often consistent with Level 4 interpreters. Level 3 interpreters are able to sign with sufficient grammatical accuracy and vocabulary to participate effectively in most formal and informal conversations on social and work topics. Some medical situations may be appropriate at the discretion of the interpreter. Comprehension is good, vocabulary is broad, grammar is good, and errors seldom interfere with understanding. Level 3 interpreters are able to handle many unfamiliar topics.

LEVEL 2 Interpreters (35-49 points): Exhibits some advanced level skills, but not ALL and not CONSISTENTLY. Level 2 interpreters are able to satisfy, with some confidence, routine social demands and work requirements. They demonstrate use of some grammatical sign features in connected discourse. Level 2 interpreters are able to narrate and describe topics related to
background, family, interests/hobbies, work, travel and current events. Although there may be some hesitations, fair to good control of everyday sign vocabulary is evident.
